I am your candidate for the U.S. Congress for the following reasons. 1) I am sensitive to the special needs of our unique State, its various cultures and heritages. However, I am convinced that we in Hawaii are very fortunate to be Americans. 2) I am experienced in both Hawaii and mainland ways – especially those of Washington DC where I worked for most of my twenty-six years of active-duty service as a scientist, clinician and U.S. Army officer. 3) Our State needs to grow a new generation of effective representatives in Washington – and the time to start is now!

If elected, I promise to be honest with you and your tax dollars. I promise that I will uphold the stellar reputation for constituent service enjoyed by Hawaii's 2nd Congressional District offices. I will work tirelessly to bring to Hawaii the resources we need to live better in the 21st Century. I vow you that you will be as proud of me as I will be to serve you in the United States Congress.

I am fifty-one years of age and have been married to the former Gilia lafolla for over 27 years. If you desire additional information regarding my background, leadership qualifications/experience or my thoughts on topics of special interest to you, kindly contact me at [Rethman\\_for\\_Congress@hotmail.com](mailto:Rethman_for_Congress@hotmail.com).
